

THE BOARD 300LB

HOME IRONING TABLE

PRODUCT SPECIFICATIONS

2-IN-1 IRONING SYSTEM

The 300LB is the world's first and only 2-in-1 home ironing table. It was designed to provide maximum stability and features to make ironing clothing less work, and provide the ideal extra large work surface for quilters and knitters.

BUY IT ONCE, BUY THE BEST

Not all ironing boards are made the same. We use traditional tube-frame construction and a galvanized metal mesh screen so your investment will last a generation... maybe even a lifetime.
