

SD-YD250

Automatic Bread Maker

Compact Design

Fits right in on your counter top.

Automatic Yeast Dispenser

Automatically adds yeast at the optimum time to ensure perfect bread.

With a convenient built-in handle, the Inner Bake Pan is easily removed from the unit and with a non-stick coating inner pan, the finished bread slides easily from the pan.

Panasonic
SD-YD250

Select up to 6 different types of bread or dough options.

Baking Modes

- Bake Only
- Rapid Bake
- Raisin
- Sandwich
- Pizza or Raisin Dough

Choose the Loaf Size that fits your family size and set the Crust Control to your desired preference.

Preset Timer

Set the timer before going to bed and arise to the smell of fresh-baked bread.
