- Overheat protection.
- Safety tip-over switch.
- Overheat protection.
- Durable powder coated steel grill stays cool to the touch.
- Comfort grip handle on back.
- 6 ft. 120V power cord.

The PHTR-9 Dual quartz radiant tower heater has reflective heating technology that replicates the sun's healthy rays, directly warming the object or person in front of the heater. As the temperature of the heated surface rises, the warming effect is felt throughout the air and surrounding areas. Reflective heaters are great for open or large rooms, and actually save you energy by warming objects and not the entire room. Reflective heating is both safe and healthy—it produces no odors, chemicals or fumes and doesn't stir up dust. Remarkably efficient, our heater uses less power to create the same amount of heat as traditional heaters. Equipped with safety tip-over switch and overheat auto-off protection, the heater is safe and reliable.

MODEL	UPC# 093319 PART #	DESCRIPTION
PHTR-9	20999	600/1200 W with thermostat

FEATURES & CONTROLS

SPECIFICATIONS	
BTU	4100
Watts	600/1200 W
Power (Volts)	1200V~60Hz
Amps	10A
Heat Settings	2
Cord Length	6 ft.

Minimum Clearance From Combustibles	
Front	3 ft.
Top	1 ft.
Sides	1 ft.
Rear	1 ft.
